# CHARBONNEAU GOLF CLUB

2017 OGA Golf Course of the Year

*Where the public is always welcome*

- Championship Golf
- Tournament Ready
- Online or Pro Shop Booking
- Perfect for Honing the Short Game
- PGA Certified Instruction
- Pristine and Picturesque Setting
- All Ages & Skill Levels

Three regulation 9-hole courses at Charbonneau are a great place for golfers of all levels of ability.

- Each 9 has five challenging par 3 and four competitive par 4 holes for a total par 31 from white and blue tees, and par 32/33 from the red tees.
- Two courses typically are reserved for 18-hole play, and the other for 9-hole play.
- The length of each nine is about 2,000 yards and can be played in less than two hours.
- Any of the 18 holes are rated by the Oregon Golf Association (OGA) as a competitive par 62 (par 64 or 65 from the red tees).

There are several ways to join in regular play, special tournaments, and other programs at Charbonneau.

- **Charbonneau Golf Club Inc.** offers a club membership program that includes discounted packages and passes for green fees and golf carts. The course staff offer PGE Certified golf instruction for individuals or groups.
- **Charbonneau Men's Club** organizes regular play for 18 holes on Wednesdays and Saturdays, and regular play for nine holes on Wednesdays. Members can choose to play either 9 or 18 depending upon their desire to compete or just to play with different groups of friends. The club also organizes about 20 special events and tournaments throughout the year.

- **The Niners** organize regular 9-hole golf on Tuesdays and have many fun social events. All abilities of golfers are welcome as are those who wish to join as social members only. The Niners sponsor the Wilsonville High School Girls Golf Team and hold an annual “Pinkball Tournament” with proceeds going to the OHSU Knight Cancer Institute.
- **Charbonneau Women's Golf Association (CWGA)** organizes regular competitive 18-hole and 9-hole play on Thursdays, as well as special tournaments and social events. Members can choose to play either 9 or 18 depending upon their desire to compete or just to play a fun round of golf with different groups of friends. CWGA annually fields a team to compete in OGA Women's Interclub Play (WIP) against other clubs during the summer
