

New Member Information

Welcome to the Charbonneau's Men's Club and thank you for joining!

Our Men's Club dates to 1975 when Charbonneau was just beginning to be built as a community with one 9-hole golf course which is now the Red 9. We now play on three different 9-hole "executive" (no par 5's) courses.

The Charbonneau Golf Club is open to the public and has 3 golf clubs who regularly play at Charbonneau: Niners ladies club, Charbonneau Women's Golf Association (CWGA) and the Men's Club which offers both 18-hole and 9-hole play based on the member's choice.

The Men's Club generally offers organized 18-hole games on Wednesdays and Saturdays. Wednesdays are usually an individual game while Saturdays are generally 4-man team games. Nine-hole tee times are available on Wednesdays and Fridays through the Pro Shop.

In order to play in the Men's Club Wednesday and Saturday organized games, a \$5 entry fee is required and can be paid upon check-in at the Pro Shop. Based on how you or your team plays, generally about 1/4 of those playing win some money back from the pot. Your winnings accumulate as a credit in the Pro Shop and can be used to purchase any items the Pro Shop sells. Spend your winnings as you wish!

The Men's Club is using a computer-based program called Golf Genius to manage the sign-up and pairing process for the Wednesday and Saturday organized games. Members will receive an email "invitation to play" in each game about one week ahead of the event. You will have the option at that time to indicate "Playing" or "Not Playing." If

you do not respond, you will automatically be assumed to be “not playing.” You can make changes to your choice via the

Golf Genius “invite” which allows you to change from “Playing” to “Not Playing” and vice versa until 2 days before scheduled game.

Game day scores and winner amounts are posted to the Men’s Club website (mc.golfcharbonneau.com/golf/18-hole results) later the same day or the next day.

The Scoring Committee will post members scores on Wednesday and Saturdays for handicap purposes.

The Men’s Club website contains a variety of information including:

GOLF SCHEDULES & RESULTS: locate flyers, schedules, and results of golf, social, and educational events

NEWS & REPORTS: read news articles and reports about club activities, initiatives, and trends in golf

MEMBERS: find member contact information, both phone numbers and email addresses

ADMIN: learn about club policies and administrative rules that provide fair play for all.

Other than the “Members” section, our website information can be accessed by anyone. For privacy reasons, the “Members” section is password protected as it contains names, addresses and telephone numbers of all our members. Ask a fellow member what the password is.

The “Join The Club” tab on the website main page provides information on how to become a member to the Men’s Club. For the 2022 calendar year, the member fee is \$90 payable by check. This fee covers OGA dues, our opening and closing season breakfasts, entry into our season long Charbonneau Cup competition and “hole-in-one insurance” if you score a hole-in-one at Charbonneau. Membership also allows you to play

in several special events including Men's Nights Out and Holiday Couples events.
